Thank you for the reminder. It is my understanding that Brenda and Aaron have been working on this issue and also an amendment to the permit, which all go together.

I will contact Brenda and check on the progress and let you know.

Brenda:

According to the CAFO, PTP was supposed to submit a plan which detailed how they were to comply w/ certain elements of the permit by January 7th, a couple weeks back. Are you aware of any progress on this submittal? Please advise. Aaron
